Note your decision on the appropriate box.

☐ **Approved**

All changes apply.

☒ **Approved in Part**

Specify below which changes do not apply.

☐ **Denied**

State the reasons for denial below.

Comments: The change to line 8 of the Abstract is disapproved. First, note that the change "of the mixture and fuel and oxidant" is grammatically incorrect due to the presence of the first occurrence of "and" (underlined). Second, applicant pointed to original claim 1, lines 6-7 and page 4, last 4 lines of the specification for support. There is NO support to rewrite a "mixture" at all in these cited portions.
